Convivio pendant lamp 2-lights LED

Oberfläche

- chrom
- czarny

Technical details

| | |
|--|--|
| Kraj produkcji |  Włochy |
| producent | Cini & Nils |
| projektant | Luta Bettonica |
| projektant 2 | Mario Melocchi |
| rok | 2005 |
| ochrona | IP20 |
| zakres dostawy | LED |
| napięcie przydatność | 230 - 240 Volt |
| Średnica w cm | 11 |
| tworzywo | aluminium, mosiądz, stal, szkło |
| długość kabla | 385 cm |
| regulacja wysokości | wysokość ustalona |
| ściemnianie | ściemnialna kontroli faz przyciemniania |
| LED | łącznie |
| Wskaźnik oddawania barw | 92 |
| Temperatura barwowa w stopniach Kelvina | 2.800 biała ciepła |
| baldachim Wymiary | 14 cm |
| wydajność systemu | 2 x 13 Watt |
| Całkowity strumień świetlny w lm | 2.600 |
| Dimensions | H 65 cm Ø 11 cm |

Opis

The Cini & Nils Convivio pendant lamp 2-lights LED emits its light directly downwards, whereby the light is bundled by transparent glass lenses. This creates a distinctive, clear illumination. The 2-lights pendant lamp has a decentralised canopy, so that the lamp can be installed independently of the power supply. In addition, it is also possible to choose any distance between the two pendulums during installation.

The Convivio pendant lamp is available in black matt and chrome finish. Two LEDs are integrated as light sources, which can be dimmed on site with a trailing edge phase dimmer. With an optionally available Casambi module, the light can also be dimmed via Bluetooth with the Casambi app by smartphone / tablet. On request, the pendant lamp can be supplied with an already integrated Casambi module. The cable length can be set individually by the installation.
