Opis

The Cini & Nils Acqua Filo 1 lamp consists of an Acqua lamp that is suspended from the ceiling by a cable. A counterweight ensures a vertical alignment of the lamp. As the power is supplied via a supply cable with plug and switch, the lamp can be connected to the ceiling without a power supply. The Acqua Filo is available in white, gold matt and silver matt finishes. On request, it is also available in gold leaf or silver leaf.

The lamp is available in two versions. The Uplight version emits indirect, reflective light mainly upwards and the Downlight version emits direct light mainly downwards.
