

IP44.DE

Piek 100 brown, direct plug, 3000 Kelvin

Technical details

Kraj produkcji	 Chiny
producent	IP44.DE
projektant	Sebastian David Büscher
rok	2020
ochrona	IP65
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	aluminium, stal nierdzewna, szkło
powierzchnia	brązowy
długość kabla	500 cm
ściemnianie	ściemniające z przecinaniem fazy i ściemniaczem z regulacją fazy
Moc w watach	6 W
LED	łącznie
Strumień świetlny w lm	310
Temperatura barwowa w stopniach Kelvina	3.000 biała ciepła
Średnica klosza	6 cm
Długość światło bar	100 cm
wymiana żarówek:	u producenta / w fabryce
Dimensions	H 106 cm

Opis

The IP44.de Piek 100 is an outdoor floor lamp with ground spike, which allows it to be repositioned at a new location again and again. This lamp has a total height of 106 cm and its lamp rod a length of 100 cm. Its lamp head can be tilted by 180 degrees. With its IP65 protection rating, this outdoor floor lamp is both dustproof and protected against water jets from any angle. The Piek 100 is operated with a high-efficiency Power LED which can be dimmed on site with a trailing edge phase dimmer. The spotlight-shaped lamp head is made of powder-coated cast aluminum, the lamp rod made of powder-coated stainless steel.

The Piek offered here is in brown and has a colour temperature of 3,000 Kelvin warm white. It is supplied with a protective contact plug and is connected directly to the mains.
