

Knapstein

PIA-4

Technical details

Kraj produkcji	Niemcy
producent	Knapstein
projektant	Knapstein
rok	2019
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
tworzywo	mosiądz, szkło
ściemnianie	ściemnialne z przecinaniem fazy i ściemniaczem z regulacją fazy
LED	Łącznie
Wskaźnik oddawania barw	>90
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
wydajność systemu	4 x 10 Watt
Calkowity strumień świetlny w lm	3.920
Dimensions	H 5 cm B 41 cm L 41 cm

Opis

The Knapstein PIA-4 is a square ceiling lamp. It has a length and width of 41 cm each. Its total height is 5.2 cm. Its flat design is made possible by a magnetic holder, which ensures also that no visible screws in the ceiling housing are existing. The light is diffused and homogeneously distributed downwards through a matted glass. The ceiling housing has a matt nickel-plated surface. Four integrated LEDs, each with a colour temperature of 2,700 Kelvin extra warm white, are included as light sources. The PIA-4 from Knapstein can be dimmed on site with a phase dimmer. The smaller, square PIA-1 and other rectangular or round ceiling lights are also available from the series.
