

Bomma

Disc Pendant

Aufhängung

- miedź
- srebro
- czarny

Technical details

Kraj produkcji	 Czechy
producent	Bomma
projektant	Olgoj Chorchoj Studio
ochrona	IP20
zakres dostawy	LED 230 Volt
napięcie przydatność	110 - 240 Volt
Średnica w cm	55
tworzywo	szkło kryształowe , metal, tekstylny
kolor przewodu	czarny
długość kabla	250 cm
regulacja wysokości	wysokość ustalona
ściemnianie	na miejscu z funkcją ściemniania
pedestał/wersja	E27
Moc (maks. W)	13 Watt
LED	Łącznie
baldachim Wymiary	14 cm
kolor szkła	jasne
wymiana żarówek:	na miejscu
Dimensions	H 45 cm Ø 55 cm

Opis

The Bomma Disc Pendant has a mouth-blown, clear glass with a diameter of 50 cm. Including its suspension, it has a height of 44.5 cm. Each glass is made of crystal glass and is mouth-blown in individual production, therefore small bubbles or irregularities in the glass can occur. The Disc pendant lamp is offered with a metal suspension in silver nickel or black powder-coated. The canopy and the lamp socket are delivered in the matching colour of the suspension. The cable has a maximum length of 250 cm and can be shortened if necessary. Special lengths for the cable are also available on request. The lamp is operated with a replaceable E27 LED retrofit.

The light is emitted homogeneously in all directions with this pendant lamp with clear glass, whereby light reflections are partially created on the glass. Bomma also offers the Disc Pendant Metal from the series with a glass that is half covered with metal.
