Opis

This Bomma Soap Mini chandelier multicolour consists of six Soap Mini pendant lamps on a round canopy. The lamps of this chandelier have different glass colours. Two versions are available here. On request, any combination of the glass colours gold, silver, blue, matt and clear can be put together with up to 26 lamps.

The white coated canopy has a diameter of 40 cm and is 6.2 cm high. Each glass is individually made of crystal glass and mouth-blown without a mould, so it is unique and the shape, size and colour intensity can vary. The glasses are coated with metal during production, which makes them glitter and shimmer, especially when switched on. The suspension is in anthracite, gold brushed is also available on request. The cables have a maximum length of 250 cm and can be shortened if necessary. Each lamp is operated with a replaceable G4 LED retrofit.

Follwing two versions are offered:

- Version 1: 3 x clear, 3 x frosted
- Version 2: 2 x blue, 2 x silver, 2 x gold
