

Bomma

Pebbles Pendant Small Configuration 1-2

Version

- 1
- 2

Technical details

Kraj produkcji	 Czechy
producent	Bomma
projektant	Boris Klimek
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	30
tworzywo	szkło kryształowe , metal, tekstylny
kolor przewodu	czarny
długość kabla	250 cm
regulacja wysokości	wysokość ustalona
ściemnianie	ściemnialna kontroli faz przyciemniania
Moc w watach	17,9 W
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	2.680
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	27 cm
Dimensions	H 79 cm Ø 30 cm

Opis

This Bomma Pebbles Pendant Small consists of three differently shaped glasses. The bottom glass of this pendant lamp is always black. In version 1, the top glass is black and the middle glass is red. In version 2, the top glass is red and the middle glass is green.

If desired, the three glasses of the lamp can also be arranged in a different order. Each glass is made individually from mouth-blown crystal glass. Any small bubbles or irregularities in the glass are characteristics of traditional, handcrafted glassblowing. During the production process, clear crystal glass is mixed with coloured glass so that the glass colour is particularly durable. Each glass is individually hand-worked, so the colour intensity and tone can vary.

The metal suspension of the pendant lamp is powder-coated in matt black. The cable has a maximum length of 250 cm and can be shortened if necessary. Special lengths for the cable are also available on request. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white. The Pebbles pendant lamp is also available from Bomma in other colour and shape combinations of the glasses. A lamp with any glass combination can also be created on request.
