

Bomma

Pebbles Pendant Small Configuration 5

Technical details

Kraj produkcji	 Niemcy
producent	Bomma
projektant	Boris Klimek
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	26
tworzywo	szkło kryształowe , metal, tekstylny
kolor przewodu	czarny
długość kabla	250 cm
regulacja wysokości	wysokość ustalona
ściemnianie	ściemnialna sterowania ściemniaczem z odwróconymi fazami
Moc w watach	17,9 W
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	2.680
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
baldachim Wymiary	27 cm
Dimensions	H 79 cm Ø 26 cm

Opis

This Bomma Pebbles Pendant Small consists of an oval, elongated glass and a spherical glass. The upper oval glass is in black, the lower spherical glass in white. If desired, the two glasses of the lamp can also be arranged the other way round. Each glass is made individually from mouth-blown crystal glass. With traditional glass blowing, there may be small bubbles or irregularities in the glass, these are signs of craftsmanship. Clear crystal glass is mixed with coloured glass during the production process, which makes the glass colour particularly long-lasting. Each glass is individually hand-worked, so the colour intensity and tone can vary.

The metal suspension of the pendant lamp is powder-coated in matt black. The cable with a maximum length of 250 cm can be shortened if necessary. On request, the lamp is also available with other cable lengths. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as illuminant. Bomma also offers the Pebbles pendant lamp in other colour and shape combinations of the glasses. On request, it is also possible to put together a lamp with any glass combination.
