Opis

For the Mawa Bergamo, each glass is elaborately processed by hand in individual production. The glass consists of three layers. Small bubbles or slight deviations in size and glass thickness may occur, but these are in any case a sign of quality craftsmanship. As standard, this pendant lamp has a 250 cm long cable. It is available in two versions:

- Version 1: Suspension black
- Version 2: Suspension rose-gold

The ceiling canopy of the black version is in complete black. In the rose-gold version, the ceiling canopy is black on the outside and rose-gold on the inside. Under the canopy of this lamp there is a decorative element in rose-gold. On request, the Bergamo is also available with a suspension in white or brass. The pendant lamp is also offered with other cable lengths on request.
