Ax-LED Pendant Lamp Vertical

Oberfläche

- nikiel błyszczący
- nikiel satyna
- czarny

Technical details

Kraj produkcji	 Niemcy
producent	Steng
projektant	Peter Steng
projektant 2	Andreas Steng
rok	2012
ochrona	IP20
zakres dostawy	LED
napięcie przydatność	230 - 240 Volt
Średnica w cm	1
tworzywo	metal
długość kabla	300 cm
regulacja wysokości	wysokość ustalona
ściemnianie	snur opornik
Moc w watach	18 W
LED	łącznie
Wskaźnik oddawania barw	>90
Strumień świetlny w lm	1.500
Temperatura barwowa w stopniach Kelvina	2.700 extra biała ciepła
Dimensions	H 150 cm Ø 1 cm

Opis

The Steng Ax-LED Pendant Lamp Vertical is suspended from the ceiling by a cable. There is a counterweight at the bottom of the lamp. The lamp is not connected to the ceiling via a power connection, but via a two-metre long supply cable with plug. A dimmer is integrated on the supply line. The suspension cable has a total length of 300 cm and can be shortened on site if necessary.

The Ax-LED Pendant Lamp Vertical is available in the surfaces satin nickel, glossy nickel and matt black with fine structure. The lamp has a length of 150 cm and is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white. The light is emitted from the lamp homogeneously and glare-free indirectly onto the wall.
