

Domus Bolino

Technical details

Kraj produkcji	 Niemcy
producent	Domus
rok	2006
ochrona	IP20
zakres dostawy	Leuchtmittel/ Bulb
napięcie przydatność	230 - 240 Volt
Projekcja w cm	90
tworzywo	aluminium, drewno, Lunopal
regulacja wysokości	z regulacją wysokości
ściemnianie	snur opornik
pedestał/wersja	G9
Możliwość zmiany trybu	na oprawy
Moc (maks. W)	60 Watt
Kolor klosz	biały
Średnica klosza	22 cm
wysokość całkowita	150 cm

Opis

The Domus Bolino is a floor lamp made of beech wood, adjustable in height between 115 cm and 150 cm. The maximum projection of this floor lamp is 90 cm. The light source of the Bolino floor lamp by Domus is surrounded by a white lamp shade made of Lunopal. Lunopal is a high-quality shade material that was developed by Domus. This material is thermally highly resilient and can withstand temperatures of up to 100°C. Lunopal is white transparent and gives the impression of fine Japanese paper. The completely environmentally friendly material is UV-resistant and does not yellow. The lampshade of the Domus Bolino has a diameter of 22 cm. This lamp has a G9 socket that can be operated with halogen lamps or LEDs. The Bolino floor lamp is regulated with a LED-compatible dimmer on the supply cable, not with a sensor dimmer on the lamp arm (as shown in the picture).
